Dear Mr. Weisberg:

I know it has been some time since you have heard from me, but I am still intrigued by your idea for a book on the King Conspiracy. If the project is still available -- if you haven't made any other commitment -- I would like to continue working on it.

There have been a number of shifts of personnel in publishing recently, and I think that might be fortuitous for this project. I really would like to sell it for you.

Could you drop me a line or give me a call to assure me it is still free, please?

Cordially,

SL:el
